

# YOUNG ACTOR'S PlayShop

**A Super-Charged 10 week Creative Acting Class for Ages 5-9**

Young Thespians unite!

This unique 1 hour acting class combines theatrical movement, in-depth character development exercises and original script writing.

We may journey through creative explorations with fairytales and children's stories or simply work on personal or social themes as we develop our original works of theater.

With the use of fun improvisational games and techniques; budding Actors will come together and play; becoming familiar with the fundamentals of character development, story structure and boundless creativity.

Imaginations run wild as students are encouraged to collectively re-imagine and re-create their chosen stories in preparation for a Young Actors PlayShop Sharing on the final day of class for an invited audience of family and friends.

Come and join in on the fun!
