

# ALL ABOUT ACTING

**A high energy 10 week, 1.5 hour class for Ages 8-12 and 13-16**

This high energy 10 week class is designed for the budding and seasoned acting student interested in further exploring and deepening their experience with the joy and craft of acting.

We will play ensemble/character-building theatre games, engage in serious acting exercises and learn techniques for approaching scripted monologues and scenes.

Our work in class-time rehearsal will reveal a sense of Character (who we are), Given Circumstances (where we are) and Action (why we are doing what we are doing). Expect a splash of spontaneity, though, as we learn improvisation, vocal warm-ups and theatrical movement.

A Performance Sharing of Monologues and short Scenes for friends and family will round out this All About Acting journey with applause!
