

Improvisation & Creative Scenes for ADULTS

**An exhilarating 10 week Comedy Improvisation and Scene Writing
Technique Class for Ages 18 – 100**

Calling all open-minded & wise adventure seekers!

This Improvisation Technique and Creative Scene Writing class is all about surprise, inventiveness and loads of laughter. It doesn't matter your profession or prior experience. Improv and scene writing is a learned skill that has the power to inject your life with more spontaneity and positive "yes, and" mojo.

Within a safe environment, we will journey through the basic rules of Improvisation, all the while playing group and partner comedy improv games. Once the group becomes a cohesive unit (it's magical how this happens), we will see themes, stories and characters emerge. This will seamlessly lead us into the exciting writing segment of class. Scenes can be written in or out of class time, perhaps they are partly improvised. Whichever way, we will rehearse and present a final sharing of our work for an invited audience on the last day of class.

Enjoy the thrill ride you get from laughter!
